

OSTARA EXPERIENCE

Business Breakthrough Intensive with Money and Business Mentor Maggie Ostara, PhD

Join me for two days of in-depth work that is usually available only to my private clients. If you are interested in working with a multiple-six figure coach, who has six-figure plus clients in the healing arts, coaching fields, and spiritual realms, you've come to the right place!

What is a Business Breakthrough Intensive?

A BBI provides participants with an intimate experience working one-on-one with me in a group setting. Participants are invited to bring the biggest issue in their business around which they would like a breakthrough. I will work with each participant on what you bring – and also be prepared that the coaching may take an unpredicted direction toward what you need most! That's part of the magic of on-the-spot coaching.

Description/Format

- **Two-day immersion** experience in a facilitator-led mastermind format
- Each participant receives **30 minutes of spot-light coaching from Maggie** directly.
- **Everyone witnesses and learns** from each others' spotlight sessions.
- Time is allocated for additional **group Q&A and discussion**.
- Teaching is primarily presented in the context of the spotlight sessions and topics that participants raise, rather than in preplanned sessions. This allows for **customized teaching for participants' specific needs and desires**.
- **Attendance is very limited** to no more than 12 participants.
